

MAYWOOD COMMUNITY CHURCH ~ JUNE 2011
Only those who see the invisible accomplish the
impossible.

A NOTE FROM PASTOR JOHN

2 Timothy 2:15-16, "Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth. But avoid worldly and empty chatter, for it will lead to further ungodliness."

Dear Church Family,

Do you need reviving and refreshing this summer? Summertime has always been characterized as a time of relaxation and refreshing. People take time to get away from their busy lives. The time they take is reserved for vacation. Sometimes, just taking the time to read a good book can be all the vacation a person needs. Speaking of a good book, taking the time for additional Bible study can refresh and revive your life. You can start by reading a Psalm a day and talking to God about that Psalm. Read through Gospels this summer. Focusing on Jesus' walk and ministry will bless your summer like no other.

It is a well known fact that church attendance is down during the summer months in America. Take the time to change that statistic at Maywood this summer. Make the extra effort to make it to church to study God's Word. Invite a friend or family member to come to church with you.

In June we will be having Vacation Bible School. Our church will transform into Son Surf Beach Bash. One way you can get involved is by praying for the children who come to VBS. Pray that they trust in Jesus Christ as their Lord and Savior. This is one way everyone can be involved in VBS!

So I hope you join me this summer in exploring God's Word. I encourage you right now to seek God about this. Ask Him to open up His Word to you in new and exciting ways!

Looking forward to getting into God's Word together this summer.

Lord Bless You!

Pastor John

RENEWAL

II Corinthians 1:3-5 ...the God of all comfort...

A time of **PRAISE.....POWER.....PRAYER!!!**

As we have passed recently from winter to spring, we have seen a time of renewal in all of nature around us. Just like nature, we need a time of renewal when we have passed through a time of personal winter. It could be you are recovering from a physical ailment, an emotional hurt, or a time when you have spiritually felt far from God.

Time in praise and fellowship helps us renew ourselves, and our relationship with our Beloved Lord. We were created to live in community with others, to need time together. We need each other to help weather the winters in our soul. At RENEWAL, we are here for each other. We are here for you, too. Come join us on the 1st and 3rd Saturday of each month at 6pm in the sanctuary.

On Saturday June 18th, we will start at 5pm over on the gymnasium side. Yes, it is time again for those wonderful "Jerry Burgers"! If you have not tried one, you are flat missin' out!!!! You don't need to bring anything but an appetite.....
